Thanks Mike for agreeing to look for a time for a conference call. Sandie (lead author in Region 8) is available between 7:30am and 2pm ET tomorrow. Bert will be traveling but Sandie can represent Region 8. I'm available before 11:30am and 1-2pm ET.

To talk about monitoring where pre-spill data not available, we need David Garcia from Region 6. Looks like David is available 9-10am and 11 - 11:30am ET. – TomW.

Travis – do you think Regions should send something out about our delay in releasing the draft plan or just respond to inquiries?
